ARTICLE XIV.Enforcement and RemediesA. Enforcement:

1. Foundation, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, any of the provisions of this Declaration. Failure of Foundation or Owners to enforce any provision of this Declaration shall in no event be deemed a waiver of right to do so thereafter. Foundation shall have the right to establish and publish, from time to time, rules and regulations concerning a hearing process and upon compliance with the hearing process to assess and collect reasonable fines and penalties for violations of this Declaration, which shall be liens against the Lots and Residences of the offending Owner. Such fines shall not exceed twenty dollars (\$20.00) per day per violation. Should Foundation employ counsel to enforce any of the provisions of this Declaration against an offending Owner or Occupant, all costs, including but not limited to counsel's fee, incurred by Foundation in such enforcement shall be paid by the Owner of the Lot upon which the violation occurred.

2. Foundation is hereby granted a right of entry and easement, excluding Building, onto and across each Lot for the purpose of carrying out its responsibilities under this Declaration, and any such entry for the abatement or removal of a violation shall not be deemed a trespass. (Except in an emergency, this right and easement is to be exercised only in cases of abandonment.) Foundation will make a reasonable attempt to notify Lot Owner prior to carrying

out its rights and responsibility.

3. Owner is responsible for the upkeep, repair, maintenance of his/her/its Lot and all improvements thereon, including Residence and landscaping. Should the Board determine that an Owner has failed or refused to discharge his/her/its obligation to maintain, clean, repair, or replace any item or feature on the Lot, it shall give the Owner reasonable written notice to correct such failure. If the Owner has not taken corrective action within fifteen (15) days after such notice, the Board may enter upon the Lot, as provided above, and take such corrective action as it deems necessary. Owner shall be obligated to pay the cost incurred by the Board in taking such corrective action and such costs shall be a lien against the Lot and Owner.

4. Any Annual or Special Assessment not paid within fifteen (15) days after the due date shall be subject to a late charge of five (5%) percent of the amount due and shall bear interest from the due date at twelve percent (12%) per annum in addition to the applicable late fee. The Foundation may bring an action at law against a delinquent Owner obligated to pay said Assessment, or may foreclose the lien against the Lot, or both. No Owner may waive or otherwise escape liability for said Assessments by non-use of Common Area or by abandonment of the Lot. Owner shall be responsible for all costs, including reasonable attorney fees, incurred by Foundation in collecting a delinquent Assessment. The cost of collecting a delinquent Assessment shall be added to the Assessment and shall be a lien against the Lot and Owner.

ARTICLE XV.Severability

Invalidation of any covenant, condition or restriction or any term, phrase, clause, paragraph or article of this Declaration by any court or tribunal of competent jurisdiction shall in no way affect the other provisions hereof which are hereby declared to be severable and which shall remain in full force and effect.

This Declaration is to run with the land and shall be binding on all Owners claiming under it for a period of twenty-five (25) years from the date this Declaration is recorded, after which time this Declaration shall be automatically extended for successive periods of twenty-five (25) years. This Declaration may be amended at any time by an instrument signed by the President and the Secretary or Treasurer of the Foundation, certifying that either, at an annual meeting or special meeting, more than two-thirds (2/3) of Lot Owners were present or voting by proxy, or if not present, thereafter consented to the amendment then being recorded. Questions:

GENERAL

A. Restriction K128/240 makes restriction #7 at B127/206 applicable to lots 72-91 Block H on AV/46 now AW/163, however, it does not specify which of the four square foot requirements in B127/206 would apply.

B. The restrictions recorded in B120/9 refer to plat AO/9 but do not specifically restrict these lots. I assume these are the lots covered by the restrictions. Am I correct?

C. On all of the square foot requirements and various other items, the original restrictions state unless otherwise approved in writing by Snee Farm, Inc. upon the recommendation of the ACC. I have changed all of these just to say ACC. Do you want to put Snee Farm Community Foundation upon the recommendation of the ACC?

D. We do not have the restrictions for 37 E on la 146. Laura will get.

E. We did not use plat Ax 171.

F. We made all lots fairway unless restricted manor or marked manor in the Book by patty.

restrictions

1.. Article I definitions I put in one for New Charlestowne and one for Snee Farm Gardens. I assume the New Charlestowne is correct.

2. Article II a refers to the property covered on Exhibit B. The list of plats included on Exhibit B now includes all plats including AB 11. Sis did not originally include AB 11 because it was superseded by AB 73. However I included it because we had various other plats which were superseded or partially superseded by other plats. The plats on exhibit B are referred to in two places that is on ____ and _____. Is this Ok?

3. Article VII b i I beefed up the architectural definition to include building etc Before it did not seem to be enough. this probably overlaps the acc provision for wall etc

4. I did article IX, X, XI and XII in which I set out specific restrictions that applied to all lots, specific restrictions that applied to all but gardens and new charleston, ones that apply to each patio deal.

5. Look at the way I did article IX section A on page 14 of the restrictions.

a. See if it flows with Exhibits C and d.

OK W320PG068

b. I tried to take care of all previous variances.

c. I tried to take care of all other restrictions.

6. Article IX K, says no vehicle can be parked on the street. I made that apply to all even though the patio homes do not mention it, Is this Ok?

7. New restrictions Article 9 W The previous restrictions both patio and regular permitted docks etc with permission of ACC. I left what you did which prohibits all docks and added the restrictions to small boats.

8. Article IX I added V, W and X

9. Article X a and the other two say that No more than one single family dwelling and attached garage can be erected on any lot.

a. Is this inconsistent with exhibit d in the height part that says unless permitted by Acc.

b. Are garages allowed?

c. what is the height limitation on a garage?

10. Article XI D and xiiD concerning wall are copied from sides and are more expensive than patio restrictions. I just added the patio restriction to them,.

a, In twelve D is it alright to limit the height to 4 feet?

b Do any of the patio houses need to restrict the fences off the front of the lot? Sid restrictions do not seem to say so.

11. setback provisions of Exhibit "D" provides that there is no side yard for garages or accessory buildings. Is this inconsistent with the provision of the restrictions that says no accessory buildings are allowed except in the patio section?
