Section 6.01. Creation of the Lien and Personal Obligations of Assessments. Declarant covenants, and each Owner of any Lot whether or not it shall be so expressed in Owner's deed or other conveyance shall be deemed to covenant and to agree to all other terms and provisions of this Declaration and to pay to the Association, such Annual Assessments or charges and/or Special Assessments or charges for operation and administration of the Association, capital improvements, maintenance expenses, and other Common Expenses, emergencies and other purposes, as may be established and collected as hereinafter provided. The Assessments, together with any penalty (to be set by the Board), interest, costs, and reasonable attorneys' fees shall be a charge upon the Lot and shall be secured by a continuing lien on the Lot against which each such Assessment is made. Each such Assessment, together with interest, any penalty, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person(s) or entity who was the Owner of such Lot at the time the Assessment became due. The obligation for delinquent Assessments shall also run with such Lot and shall pass to the Owner's successors in title. Upon written request, the Association shall provide or cause to be provided an accounting of an Owner's Assessments and any delinquency in the payment thereof. All reports of delinquency must be given subject to any state and federal laws regarding disclosure of a debtor's financial information.

Section 6.02. Purpose of Assessments; Assessments To Be Levied Uniformly.

(a) Annual Assessments and Special Assessments levied by the Association shall be used for, without limitation, the operation and administration of the Association; the payment of all Common Expenses; for the acquisition, construction, landscaping, repair, replacement, improvement, maintenance, and use of the Common Property(ies); labor, equipment, materials, services, management, supervision, security, garbage service, water, sewer and utility service in connection with the Common Property(ies); insurance premiums and deductibles; emergency repairs, reconstruction after casualty loss; taxes and fees levied by governmental agencies; funds to build up reserves, if necessary; and such other needs, without limitation, as may arise or as may be required in the sole discretion of the Board of Directors.

(b) Except as provided herein and until and unless otherwise approved by the Board of Directors, all Assessments shall be levied in equal, uniform amounts per each of the Lots, Units, or Homesites.

Section 6.03. Annual Assessment. Prior to the end of each fiscal year of the Association, the Board of Directors shall determine the amount of the Annual Assessment for the following year based on a proposed annual budget showing the services provided by or on behalf of the Association and the costs thereof per Lot, and shall notify every Owner subject thereto.

Section 6.04. Special Assessments.

(a) In addition to the Annual Assessments authorized above, so long as the Association holds an interest in a Common Property as set forth in Article V hereof, the Association may levy, in any fiscal year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of any capital improvement upon or adjacent to the Common Property(ies), including, but not limited to, fixtures, personal property related thereto, and for any other purposes not prohibited by this Declaration (the "Project"); provided, however, that such Special Assessment shall have the assent of two thirds (2/3) of the votes of the Association

Members responding to a mail Referendum within thirty (30) days of such mailing. The mail Referendum shall include one statement from any Director(s) favoring the Special Assessment and one statement from any Director(s) opposing the Special Assessment containing the reason(s) for those Directors' support and opposition for the Special Assessment. Neither statement shall exceed five (5) pages in length. The amount of such Special Assessment shall be determined by the Board of Directors by taking the total cost of the Project and dividing the same by the number of Lots in the Subdivision. The Special Assessments levied against the Lots shall be in equal amounts, and may be collected by the Association on a monthly, quarterly, or annual basis as determined by the Board.

(b) In addition to the Annual and Special Assessments authorized above, so long as the Association holds an interest in a Common Property as set forth in Article V hereof, the Board of Directors may, in its discretion, levy in any fiscal year, an amount not to exceed one hundred (100%) percent of the Annual Assessment for such fiscal year (without a two thirds (2/3) affirmative vote of the Association Membership) as a Special Assessment applicable to that year only for the purpose of maintenance or repairs of the Common Property(ies), including, but not limited to, fixtures, landscaping, and personal property related thereto; for the costs of the taxes for and the utilities supplied to the Common Property(ies); for any repairs, restoration, reconstruction, maintenance, or improvements made necessary by any emergencies including but not limited to damages resulting from storm, wind, earthquake, and flood as determined in the sole discretion of the Board of Directors, and for any other purpose not prohibited by this Declaration. Such Special Assessment, shall be calculated and levied against the Lots in the same manner as set forth in subparagraph (a) above.

(c) At the time that title to a Lot is conveyed to a new Owner (directly or indirectly), the new Owner shall contribute to the working capital reserve fund maintained by the Association an amount equal to the greater of: (i) one-half of one percent (0.5%) of the sales price for such Lot; or (ii) ten thousand US Dollars (\$10,000). The working capital reserve fund contribution is in addition to any Assessments payable by the transferor Owner or the transferee Owner.

Section 6.05. Effect of Non-Payment of Assessments.

(a) If an Assessment (whether Annual, Special, or otherwise) is not paid on the date when due, as hereinabove provided, then such Assessment together with such late charges and interest thereon and any reasonable costs of collection thereof as hereafter provided, shall be a charge and continuing lien on the Homesite to which it relates, and shall bind such property in the hands of the Owner, his heirs, legal representatives, successors, and assigns. The personal obligation of the then Owner to pay such Assessment, however, shall remain his personal obligation, and if his successors in title assume his personal obligation, such prior Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which he was obligated to pay immediately preceding the transfer. Furthermore, such prior Owner and his successor in title who assumes such liabilities shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such prior Owner and his successor in title creating the relationship of principal and surety as between themselves, other than one by virtue of which such prior Owner and his successor in title would be jointly and severally liable to pay such amounts.

(b) Any Assessment which is not received within ten (10) days of the due date thereof, or within any established grace period, shall incur a late charge of such amount as may be set by the Board of Directors; and shall commence to accrue simple interest at the lesser rate of (i) eighteen percent (18%) per annum, or (ii) the maximum rate provided by applicable law. In addition, in the event any Assessment is not received within thirty (30) days of the due date thereof, the Association shall have the right to declare the balance of the Assessment(s) immediately due and payable upon written notice to the defaulting Owner.

(c) The Association may bring legal action against the Owner personally obligated to pay the same or foreclose its lien against the Homesite to which it relates or pursue both such courses at the same time or successively. In any event, the Association shall be entitled also to recover reasonable attorneys' fees and all other costs of collection. Each Owner, by his acceptance of a deed or other transfer of a Homesite, vests in the Association or its agent the right and power to bring all actions against him personally for the collection of such charges as a debt and to foreclose the aforesaid lien in any appropriate proceeding at law or in equity. All Owners, to the fullest extent permitted by law, waive the right to assert any statute providing appraisal rights which may reduce any deficiency judgment obtained by the Association against any Owner in the event of such foreclosure and further, waive all benefits that might accrue to any Owner by virtue of any present or future homestead exemption or law exempting any Homesite or portion thereof from sale. If the Association commences to foreclose its lien, the Owner may be required to pay a reasonable rental for the Homesite after the commencement of the action and at its option the Association shall be entitled to the appointment of a receiver to collect such rents. The Association shall have the power to bid on the Homesite at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same.

(d) During any period in which an Owner shall be in default in the payment of any Assessment (whether Annual, Special, or otherwise) levied by the Association, the voting rights of the Owner and the rights of the Owner and lessees of the Owner, their families, invitees and guests, to use and enjoy the Common Property(ies) may be suspended by the Board of Directors until such time as the Assessment has been paid.

Section 6.06. Subordination of Lien.

(a) The lien and permanent charge for the Assessments (together with late charges, interest, fees and cost of collection) authorized herein with respect to any Homesite is hereby made subordinate to the lien of any holder of a Mortgage or its assigns.

(b) Such subordination is merely a subordination and shall not relieve the Owner of the Homesite of his personal obligation to pay all Assessments coming due at a time when he is the Owner; shall not relieve such Homesite from the lien and permanent charge provided for herein (except as to the extent the subordinated lien and permanent charge is extinguished against a Mortgagee, such Mortgagee's assignee, or transferee by foreclosure); and no sale or transfer of such Homesite to any person pursuant to a foreclosure sale or conveyance in lieu thereof shall relieve any previous Owner from liability for any Assessment coming due before such sale or transfer.

(c) To the extent any subordinated lien and permanent charge for any Assessment is extinguished by foreclosure or conveyance in lieu thereof, then the amount or amounts otherwise secured thereby which cannot otherwise be collected shall be deemed a Common Expense collectible from all Owners, including the person who acquires title through the foreclosure sale.

ARTICLE VII INSURANCE AND CASUALTY LOSSES

Section 7.01. Insurance. The Board of Directors or its duly authorized agents shall have the authority to and shall obtain the following types of insurance, and shall continue the same in effect so long as the Association retains an interest in an Halsey Park Common Property(ies):

(a) **Property Insurance.** Casualty insurance at replacement value, in such form and with such coverage and deductibles as the Board deems appropriate for the benefit of the Association, insuring all insurable improvements in and to the Common Property(ies), against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism, and malicious mischief; such

coverage, if available at reasonable costs, shall be in an amount sufficient to cover the full replacement cost (without depreciation, to include anticipated costs of demolition and clearing prior to building, but subject to such deductible amounts as are deemed reasonable by the Board), of any repair or reconstruction in the event of damage or destruction from any such hazard.

(b) Liability Insurance. A public liability policy in the minimum amount of One Million and No/100 Dollars (\$1,000,000) covering all the Common Property(ies) owned or leased by the Association, as to all damage or injury caused by the negligence of the Association, its Association Members, Directors, and Officers, or any of their agents. Such public liability policy shall provide such coverages as are deemed necessary by the Board.

(c) Other Insurance. Worker's compensation insurance to the extent necessary to comply with any applicable law; and any such other types and amounts of insurance as may be determined by the Board to be necessary or desirable.

(d) Named Insured. All such insurance coverage obtained by the Board shall be written in the name of the Association as trustee for each of the Association Members. The cost of such coverage on the Common Property(ies) shall be a Common Expense. The Association shall have exclusive authority to adjust losses under such insurance policies with respect to the Subdivision; provided, however, that no Mortgagee or other security holder of the Common Property(ies) having any interest in such losses may be prohibited from participating in the settlement negotiations, if any, relating thereto.

(e) Owner's Insurance. Unless specifically identified herein or specifically determined by the Board of Directors, as being the responsibility of the Association, each Owner shall be solely responsible for obtaining, at each such Owner's sole expense, public liability, property damage or casualty coverage, flood, title, and any other insurance coverage in connection with such Owner's individual Lot(s) and all improvements thereon, as each such Owner deems necessary or appropriate.

Section 7.02. Damage to or Destruction of the Common Property(ies).

(a) Should any of the Common Property(ies) or other property owned by and/or covered by insurance written in the name of the Association as such trustee for the Association Members, be damaged or destroyed by fire, windstorm, flood, or any other casualty, the Board of Directors, or its agent shall be responsible for timely filing all claims and adjustments arising under such insurance. In such event, the Board shall be further responsible for obtaining detailed estimates for repairing or restoring and/or reconstructing such damaged property to substantially the same condition as existed prior to such casualty, and such estimates must be obtained by the Board from reputable, reliable, licensed individuals or companies. The Association shall restore, repair, or replace such damaged improvements, including structures, trees, shrubbery, fences, lawns, boardwalks, landscaping, signage, personal property, and natural vegetation, within sixty (60) days of such damage or destruction, or as soon thereafter as reasonably possible under the circumstances.

(b) In the event insurance proceeds, if any, are insufficient to repair, restore, and/or replace such damaged or destroyed property and reserve funds as may have been appropriated or established for such purpose are, in the sole discretion of the Board, insufficient or inadequate to defray the costs thereof, or would unreasonably deplete such reserve funds, the Board may levy a Special Assessment against all Owners, without the necessity of a vote of the Association Members, in an amount sufficient to provide adequate funds to pay such excess costs of repair, reconstruction, or replacement. Such a Special Assessment shall be levied against the Owners equally in the same manner as Annual Assessments are levied, and additional Assessments may be made at any time prior to, during,

or following the completion of any repair, reconstruction, or replacement. Any and all sums paid to the Association under and by virtue of such Special Assessments shall be held by and for the benefit of the Association together with the insurance proceeds, if any, for such damage or destruction. Such insurance proceeds, if any, and/or Assessments shall be disbursed by the Association in payment of such repair, reconstruction, or replacement pursuant to and in accordance with such method of distribution as is established by the Board of Directors.

(c) Any funds remaining after defraying such costs shall be retained by and for the benefit of the Association. Special Assessments levied according to this Section may include but are not limited to Special Assessments for insurance deductibles, temporary emergency repairs and uninsured losses as well as the legal or other costs of collection.

Section 7.03. Damage to or Destruction of Improvements to Lots. In the event of damage or destruction by fire or other casualty to any improvements to any of the Lots, the Owner thereof, at his sole expense, shall be responsible for clearing away the ruins and debris of any damaged improvements or vegetation within fifteen (15) days of such damage or destruction (or such extended period as the Board may allow, in their discretion), so that the Lot is promptly restored to a clean, orderly, safe, and sightly condition. In the event such Owner shall fail or refuse to clear away the ruins and debris of any damaged improvements within said fifteen (15) day period (or such extended period as the Board may allow, in their discretion), the Board may enter the Lot, and its agents may undertake (but are not obligated to do so), any such clearing and charge the costs thereof to the responsible Owner, which costs shall be a lien upon such Lot until paid.

ARTICLE VIII LITIGATION AND ALTERNATIVE DISPUTE RESOLUTION

Section 8.01. Agreement to Avoid Costs of Litigation and to Limit Right to Litigate Disputes. The Association, Association Members and any person not otherwise subject to the Declaration who agrees to submit to this Article VIII (collectively, "**Bound Parties**") agree to encourage the amicable resolution of disputes against the Association involving the Declaration or the Subdivision, and to avoid the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that all claims, grievances or disputes between such Bound Party and the Association involving the Declaration or the Subdivision, including without limitation, claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement thereof (collectively "**Claims**"), except for Exempt Claims under Section 8.02, shall be subject to the procedures set forth in Section 8.03.

Section 8.02. Exempt Claims. The following Claims ("**Exempt Claims**") shall be exempt from the provisions of Section 8.03:

(a) any suit by the Association against any Bound Party to enforce any Assessments or other charges hereunder; and

(b) any suit by the Association to obtain a temporary restraining order (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve any enforcement power of the Association hereunder.

The Association may submit an Exempt Claim to the alternative dispute resolution procedures set forth in Section 8.03, but there shall be no obligation to do so.

Section 8.03. Mandatory Procedures for Non-Exempt Claims. Any Bound Party having a Claim

("Claimant") against the Association or any other Bound Party, or all or any combination of such entities ("Respondent"), other than an Exempt Claim under Section 8.02 and unless waived in writing by the Association (at its respective sole option and election), shall not file suit in any court or initiate any proceeding before any administrative tribunal seeking redress or resolution of such Claim until it has complied with the following procedures:

(a) Notice. Within a reasonable time after the Claim in question has arisen, and in each event prior to the date when institution of legal or equitable proceedings based on such Claim would be barred by the applicable statute of limitation, the Claimant shall notify the Respondent in writing of the Claim (the "Notice"), stating plainly and concisely:

(i) the nature of the Claim, including date, time, location, persons involved, the Respondent's role in the Claim and the provisions of the Declaration or other authority out of which the Claim arises;

(ii) what Claimant wants the Respondent to do or not do to resolve the Claim;

(iii) the amount, if any, exclusive of interest and costs, which the Claimant is willing to agree constitutes a settlement of the Claim; and

(iv) that Claimant wishes to resolve the Claim by mutual agreement with the Respondent and is willing to meet in person with the Board at a mutually agreeable time and place to discuss, in good faith, ways to resolve the Claim.

(b) Negotiation.

(i) Each Claimant and the Respondent (the "Parties") shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation not later than thirty (30) days following the date of receipt by the Respondent of the Notice, unless otherwise agreed by the Parties.

(ii) Upon receipt of a written request from any Party, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in resolving the dispute by negotiation, if in its discretion it believes its efforts will be beneficial to the Parties and to the welfare of the Association and the Subdivision.

(c) Final and Binding Arbitration.

(i) If the Parties do not resolve the Claim through negotiation within thirty (30) days following the date of receipt by the Respondent of the Notice (or within such other period as may be agreed upon by the Parties) ("**Termination of Negotiation**"), a Claimant shall have thirty (30) days within which to submit the Claim to binding arbitration under the auspices of the American Arbitration Association, or such other independent party providing similar services upon which the Parties may mutually agree, in accordance with the rules of the South Carolina Uniform Arbitration Act, as may be amended from time to time, except as follows:

(1) Unless the parties mutually set another date, within ten (10) days following Termination of Negotiation, Claimant and the Respondent shall jointly select one arbitrator, whose decision shall be absolutely binding on all Parties; provided, however, if Claimant and Respondent are unable to jointly select one arbitrator within said ten (10) day period, or on or before any later day as may be agreed by the Parties, Claimant shall select an arbitrator and the Respondent

shall select an arbitrator, and the two arbitrators shall select a third arbitrator. Any decision agreed upon by two of the three arbitrators shall be absolutely binding on all Parties.

(2) In the event the Claimant does not submit the Claim to binding arbitration as aforesaid, the Claim shall be deemed abandoned, and the Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to persons not a Party to the foregoing proceedings.

(ii) This Section 8.03 is an agreement of the Bound Parties to arbitrate all Claims against the Respondent, except Exempt Claims, and is specifically enforceable under South Carolina law. The arbitration award (the "**Award**") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent provided by applicable law.

Section 8.04. Allocation of Costs of Resolving Claims.

(a) Each Party shall bear all of its own costs incurred prior to and during the proceedings described in Sections 8.03(a) and 8.03(b), including the fees of its attorney(s) or other representative(s).

(b) In the event the Claim proceeds to arbitration pursuant to Section 8.03(c), the Prevailing Party, as hereinafter defined, shall receive from the non-Prevailing Party, all of its costs and expenses, including reasonable experts' and attorneys' fees, incurred from commencement of selection of the arbitrator(s) under Section 8.03(c) to the issuance of the Award. Furthermore, the non-Prevailing Party shall pay all costs and expenses of the arbitration. The "**Prevailing Party**" shall be determined as follows:

(i) Not less than five (5) days prior to the first meeting with the arbitrator(s), a Party or Parties may file and serve on the other Party(ies) an offer of settlement, and within three (3) days thereafter the Party(ies) served may respond by filing and serving such Party(ies) its own offer of settlement. An offer of settlement shall state that it is made under this Section and shall specify the amount, exclusive of interest and costs, which the Party(ies) serving the settlement offer is/are willing to agree constitutes a settlement of the Claim.

(ii) An offer of settlement is considered rejected by the recipient unless an acceptance, in writing, is filed and served on the Party(ies) making the offer twenty-four (24) hours prior to the first meeting with the arbitrator(s).

(iii) If an offer of settlement is rejected, it may not be referred to for any purpose at arbitration, but may be considered solely for the purpose of awarding costs and expenses of arbitration under Section 8.03(c).

(iv) If the Claimant makes no written offer of settlement, the amount of the Claim offered in arbitration is deemed to be the amount set forth in the Notice.

(v) If the Respondent makes no written offer of settlement, the Respondent's offer of settlement under this Section 8.04(b) is deemed to be zero.

(vi) The Party(ies) whose offer, made or deemed made, is closer to the Award granted by the arbitrator(s) is considered the "**Prevailing Party**" hereunder and the other Party(ies) is considered the non-Prevailing Party. If the difference between the Claimant's and Respondent's offers and the Award

is equal, neither Claimant nor Respondent is considered to be the Prevailing Party for purposes of determining the award of costs and expenses of arbitration.

Section 8.05. Enforcement of Resolution. If the Parties agree to resolve any Claim through negotiation in accordance with Section 8.03 and any Party thereafter fails to abide by the terms of the written agreement reached through negotiation, or if, following arbitration, any Party thereafter fails to comply with the Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth in Section 8.03. In such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys' fees and court costs.

Section 8.06. Litigation. No judicial or administrative proceeding with an amount in controversy exceeding Twenty-Five Thousand and No/100 Dollars (\$25,000.00), shall be commenced or prosecuted by the Association unless approved by Members representing at least seventy-five percent (75%) of the total votes of the Association voting in person or by proxy, at a meeting at which a quorum is present, duly called, in whole or in part, for the purpose of approving such proceeding. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitations, the foreclosure of liens); (b) the imposition and collection of Assessments as provided in Article VI; (c) proceedings involving challenges to ad valorem taxation; (d) counterclaims brought by the Association in proceedings instituted against it; or (e) actions brought by the Association to enforce written contracts with its suppliers and service providers. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above. This Section shall apply in addition to the negotiation and arbitration provisions of this Article VIII, if applicable.

Section 8.07. Miscellaneous Alternative Dispute Resolution Provisions.

(a) **Conflicting Provisions.** Any conflict or discrepancy between the terms and conditions set forth in this Article VIII and any term, condition, or procedure of the American Arbitration Association, or such other independent party providing similar arbitration services as the Parties may select hereunder, the terms, conditions and procedures set forth herein shall control.

(b) **TIME IS OF ESSENCE.** All periods of time set forth herein or calculated pursuant to provisions of this Article VIII shall be strictly adhered to, TIME BEING OF THE ESSENCE hereof.

**ARTICLE IX
GENERAL PROVISIONS**

Section 9.01. Duration. The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and be enforceable by the Association or any Lot Owner, their respective, heirs, personal representatives, successors, successors-in-title, and assigns, for a period of twenty-five (25) years from the date of recordation of this Declaration in the R.O.D. Office. Upon the expiration of said twenty-five (25) year period, this Declaration shall be automatically renewed and extended for additional successive ten (10) year periods, unless otherwise agreed to in writing by the then Owners of at least two-thirds (2/3) of the Lots covered by this Declaration, or any amendment thereto.

Section 9.02. Amendments.

(a) This Declaration may be amended at any time by the Owners of not less than two-thirds (2/3) of the Lots, voting in person or by proxy, at a meeting at which a quorum is present, duly called, in

whole or in part, for the purpose of approving such amendment.

(b) The agreement of the required percentage of Owners to any amendment of this Declaration shall be evidenced by their execution of such amendment, or, in the alternative, the sworn statement of the President of the Association attached to or incorporated in the amendment, stating that the agreement of the required parties was lawfully obtained in accordance with this Declaration and the By-Laws of the Association. For purposes of execution of any such amendment by the Owners, all Owners of a Lot, if more than one, must sign such amendment for such Lot to be included in the determination of the aforesaid two-thirds (2/3) of the total Lots, except in such instance as set forth in the By-Laws.

(c) Amendments for correction of scrivener's errors or other nonmaterial changes may be made by the Board of Directors alone and without the need for a vote of the Owners.

Section 9.03. Enforcement and Waiver. Any Owner and the Association shall have the right to enforce, pursuant to Article VIII, all restrictions, covenants, conditions, easements, and reservations, now or hereafter imposed by the provisions of this Declaration. Failure by any Owner and/or the Association to enforce in whole or in part any covenant or restriction herein contained, regardless of the number or kind of violations or breaches which may have occurred, shall in no event be deemed a waiver of the right to do so thereafter.

Section 9.04. Governing Law. This Declaration shall be governed by, construed, and is enforceable under the laws of the State of South Carolina.

Section 9.05. No Partition. There shall be no judicial partition of the Subdivision or any part thereof, nor shall any person acquiring any interest in the Subdivision or any part thereof seek any such judicial partition unless the Subdivision has been removed from the provisions of this Declaration.

Section 9.06. Interpretation.

(a) Unless the context otherwise requires:

(i) all pronouns used herein shall be deemed to include the masculine, the feminine and non-personal entities including, without limitation, corporations, limited liability companies and other legal entities;

(ii) words importing the singular shall include the plural and vice versa; and

(iii) the headings to the Sections, Exhibits, schedules and paragraphs of this Declaration are included for convenience only and shall not affect the interpretation thereof.

(b) In all cases, the provisions of this Declaration shall be given the interpretation or construction that will best preserve, protect, maintain, and benefit the Properties within Halsey Park.

Section 9.07. Severability. Should any covenant or restriction herein contained, or any Article, Section, subsection, sentence, clause, phrase, or term of this Declaration be declared or rendered void, invalid, illegal, or unenforceable, for any reason, by the adjudication of any court or other tribunal having jurisdiction over the parties hereto or the subject matter hereof, such judgment shall in no wise affect the other provisions hereof which are hereby declared to be severable, and which shall remain in full force and effect.

Section 9.08. Notice. Any notice, demand, or other instrument or written communication required or permitted to be given, served, made or delivered to the Association hereunder shall be given, served, made or delivered by mailing the original thereof by certified mail, return receipt requested, postage prepaid, or by overnight courier (e.g., Federal Express), addressed as follows:

Halsey Park Homeowners' Association
Attn: President
c/o Cameron Leyh, CMCA, AMS
Regime & Association Manager
Ravenel Associates
960 Morrison Drive, Suite 100 Charleston, SC 29403

or to such other addresses as the Association may request by written notice to the Owners. Any such notice, demand, or other instrument of written communication mailed as above provided shall be deemed to have been given, served, made, or delivered at the time that it was actually received. Delivery of any notice, demand or communication to a Lot Owner shall be made in accordance with Section 4.04 of the By-Laws.

Section 9.9. Limited Liability.

(a) The Association shall not in any way or manner be liable or responsible for any violation of the Declaration by any person other than itself.

(b) The Association shall not be liable for injury or damage to any person or property (i) caused by the elements or by any Owner or any other person; (ii) caused in whole or in part from rain or other surface water or any tidal waters which may leak or flow from and/or on or along any portion of the roads and rights-of-way within the Subdivision, common or residual areas, and/or easement areas; or (iii) caused by the malfunction or failure of any pipe, plumbing, drain, conduit, pump, road, fence, appliance, structure, equipment, security system or apparatus, utility line, or facility.

(c) The Association shall not be liable to any Owner for loss or damage, by theft or otherwise, of any property of such Owner which may be stored or left in or upon any portion of the Subdivision, nor any alleged trespass or damage resulting from entering upon any Lot under any authority provided expressly or implicitly herein and taking actions thereon as are allowable hereunder.

Section 9.10. Construction. The language in all of the parts of this Declaration shall be construed as a whole according to its fair meaning, and not strictly for or against the Association or the Lot Owners. By the acceptance and the recordation of a deed of conveyance to any Lot Owner in the R.O.D. Office, such Owner acknowledges that such Owner and/or his legal counsel have reviewed this Declaration, and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Declaration or any amendments thereto.

Section 9.11. Termination of the Association.

(a) In the event this Declaration is declared void, invalid, illegal, or unenforceable in its entirety, or in such a significant manner that the Association is not able to function substantially as contemplated by the terms hereof, for any reason, by the adjudication of any court or other tribunal having jurisdiction over the parties hereto or the subject matter hereof, or if the Owners should vote not to renew and extend this Declaration as provided for in Section 9.01 hereof, all the Common

Property(ies) and other properties owned by the Association at such time shall be transferred by the Association to a trustee appointed by the Court of Common Pleas of Charleston County, South Carolina, which trustee shall own and operate said the Common Property(ies) and other properties for the use and benefit of Owners within the Subdivision as set forth herein.

(b) In any of the foregoing events, each Lot shall continue to be subject to the Assessments which shall be paid by the Owner to the trustee, as successor in title to the Association. The amount of the Assessments which may be charged by the trustee shall be established in accordance with the provisions therefor set forth in Article VI hereof.

(c) Any past due Assessments due the trustee, together with any delinquent payment fees thereon, and all costs of collection, interest and reasonable attorneys' fees, shall continue to be the personal obligation of the Owner and a continuing lien on the Lot and all improvements thereon against which the Assessment was made.

(d) The trustee shall be required to use the funds collected as Assessments for the operation, maintenance, repair, and preservation of the Subdivision in accordance with this Declaration, and the trustee may charge as a part of the costs of such services and functions a reasonable fee for its services in carrying out the duties herein provided. The trustee shall not have the obligation to provide for the operation, maintenance, repair, and upkeep of the Common Property(ies) once the funds provided by the Assessments may have become exhausted.

(e) The trustee shall have the right and power to convey title to the Common Property(ies) and to assign the rights of the Association hereunder, provided that such conveyance is first approved in writing by the Owners of not less than fifty-one percent (51%) of the Lots, with each Lot, if more than one Owner, having one collective vote; and provided further, that the transferee accepts title to the Common Property(ies) subject to the limitations and uses imposed hereby, and affirmatively acknowledges in writing its acceptance of the duties imposed hereby. The agreement of the required percentage of Owners to such a conveyance and/or assignment of rights shall be evidenced by the sworn statement executed by the proper authorized officer(s) of the trustee, attached to or incorporated in such instrument executed by the trustee, stating that the agreement of the required parties was lawfully obtained in accordance with this Declaration.

Section 9.12. Settlement Statement Authorization. Any Owner, by acceptance of a deed, authorizes and directs the closing attorney to provide the Association with a copy of the Settlement Statement from the closing where any interest in a Lot, Unit, and/or Homesite is transferred to a new Owner.

Section 9.13. Effective Date. This Declaration shall become effective upon its recordation in the R.O.D. Office.

Section 9.14. Binding Effect. This Declaration shall inure to the benefit of and be binding upon the parties hereto, including without limitation all Owners and the purchasers of Lots and/or Units, their heirs, personal representatives, successors and assigns.

Section 9.15. Attorney's Fees and Costs. Should the Association employ legal counsel to enforce the Declaration, or the reasonable rules, regulations, and policies established or amended by the Board of Directors from time to time because of a breach of the same, all costs incurred in such enforcement, including all reasonable fees for the Association's legal counsel and other reasonable costs of collection or enforcement, shall be paid by the Owner of such Lot(s) or Unit(s) in breach thereof.

Section 9.16. Time Reduction. In the event that any of the provisions hereunder are declared void by a court of competent jurisdiction by reason of the period of time herein stated, then and in that event such

terms regarding that specific time period shall be either reduced to the maximum period of time or extended to the minimum period of time, whichever the case may be, that shall not violate the rule against perpetuities or any other law of the State of South Carolina, and such provisions shall be fully effective for such period of time.

Section 9.17. **Party Walls.**

Each wall built as a part of the original construction of a Rowhouse Units in the Halsey Park community that shall serve and separate any two (2) adjoining Rowhouse Units shall constitute a party wall and, to the extent not inconsistent with the provisions of this Article, the general rules of law in the State of South Carolina regarding party walls and liability for property damage due to negligent or willful acts or omissions shall apply thereto.

(b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in equal proportions.

(d) Right to Contribution Runs with the Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successor-in- title.

Exhibit B

AMENDED AND RESTATED BY-LAWS OF THE HALSEY PARK HOMEOWNERS' ASSOCIATION

Reference is made to the By-Laws of The Halsey Park Homeowners' Association, Inc., dated September 30, 2014, as amended on December 1, 2023. These Amended and Restated By-Laws supersede and replace such By-Laws.

ARTICLE I NAME AND LOCATION

The name of the Association is the "The Halsey Park Homeowners' Association." The principal office of the Association shall be located at Ravenel Associates, 960 Morrison Drive, Suite 100, Charleston, SC 29403, but meetings of Members and Directors may be held at such places within the State of South Carolina as may be designated by the Board of Directors.

ARTICLE II DEFINITIONS

The words and terms used in the within By-Laws or any supplemental or amended set of By-Laws, unless the context shall clearly indicate otherwise, shall have the same meanings as set forth in the Declaration, as amended from time to time (the "Declaration"), which said Declaration is incorporated herein by reference. Other definitions may appear throughout this instrument, and shall have the meanings more particularly set forth herein.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 3.01. Association Membership. Every person or entity who is a record Owner of a fee simple or undivided fee simple interest in any Lot, Unit, and/or Homesite which is subjected by the Declaration to Assessment by the Association shall be a Member of the Association; provided that any such person or entity holding record title or interest merely as a security for the performance of an obligation shall not be a Member of the Association. Membership shall be appurtenant to and shall not be separated from ownership of any Lot which is subject to Assessments.

Section 3.02. Membership Rights. The rights of Membership are subject to the payment of Assessments levied by the Association, from time to time, the obligation of which Assessments is imposed against each Owner of and becomes a lien upon the Lot against which such Assessments are made, as provided by Article VI of the Declaration. A Member may be suspended upon not less than fifteen (15) days prior, written notice sent by first class or certified mail of the proposed suspension of a Member and the reason therefor has been delivered to such Member in accordance with the procedures set forth in Sections 4.04 and 4.05 hereof. Such notice shall set forth the date, place, and time such Member shall be given the opportunity to be heard orally by the Board of Directors, which shall be not less than five (5) days before the effective date of the suspension. Such written notice shall also set forth the address of the Board of Directors to which and by which such Member may be heard. Upon the affirmative vote of two-thirds of the Board of Directors of the Association, acting fairly and reasonably taking into consideration all of the relevant facts and circumstances, the Board of Directors may suspend a Member; however, if the Member is suspended for failure to pay Assessments, upon the Member's payment in full of such Assessments, such rights and privileges shall be automatically restored. A Member who has been suspended shall remain liable to the Association for dues, assessments, or fees

as a result of obligations incurred or commitments made before and during such suspension. The Association's lien for such obligations shall not terminate at any time.

Section 3.03. Voting Rights. The Association shall have two classes of voting membership:

(a) Class A. Class A Members shall be every Owner and shall be entitled to one vote for each Lot, Unit, and/or Homesite owned. When more than one person holds title to a Lot, Unit, and/or Homesite, all such persons shall be Members, but shall have collectively only one vote, and in no event shall more than one vote be cast with respect to any one Lot, Unit, and/or Homesite. In the event joint Owners of a Lot, Unit, and/or Homesite fail to determine the manner in which their vote is to be cast, such vote shall nevertheless be counted and considered as an affirmative vote for the measure. In addition, when such a vote is considered as affirmative for the measure and (i) is or could be the "deciding" vote necessary to carry the measure, and (ii) all joint Owners of each Lot, Unit, and/or Homesite casting an affirmative vote are required to execute an instrument in connection with the passage of the measure (such as in the case of an Amendment in accordance with Section 9.03 of the Declaration), and (iii) one or more of the joint Owners of such Lot, Unit, and/or Homesite fail to determine the manner in which their vote is to be cast refuses to execute such required instrument, the President of the Association may attach a sworn affidavit to such instrument reciting the circumstances of the vote (including a statement that the joint Owners of such Lot, Unit, and/or Homesite received proper notice in accordance with these By-Laws, failed to determine the manner in which their vote should be cast and as a consequence their vote was considered as affirmative in the voting on the measure in accordance with these By-Laws) and thereupon the validity and enforceability of such instrument shall not be affected or be subject to question by reason of the lack of the execution thereof by any one or more of the joint Owners of such Lot, Unit, and/or Homesite. When one joint Owner signs a proxy or purports to vote for his or her co-Owners, such vote shall be counted and bind all, unless the other joint owners object in writing.

(b) Class B. The Class B Shares were originally held by the Declarant, but are now held in reserve by the Association.

Section 3.04. Proxies. Each Member entitled to vote may vote in person or by proxy at all meetings of the Association. All proxies shall be executed in writing by the Member or his duly authorized attorney-in-fact, and filed with the Secretary of the Association or such other officer or agent of the Association authorized to tabulate votes before or at the time of the meeting; provided, however, that proxies shall not be required for any action which is subject to a referendum. Unless a proxy states otherwise, it shall be deemed to confer the authority to execute consents and waivers and to exercise the right to examine the books and records of the Association. A proxy may be revocable or irrevocable but shall be deemed revocable at will unless it states otherwise. An appointment of a proxy is revoked by the person appointing the proxy (i) attending any meeting and voting in person, or (ii) signing and delivering to the Secretary or other officer or agent of the Association authorized to tabulate votes for the Association either a written statement that the appointment of the proxy is revoked or a subsequent appointment form. If at least ten (10) days (thirty {30} days if notice is mailed by other than first class or registered mail) prior to a duly called meeting, a Member is informed pursuant to the provisions of Section 4.04 and 4.05 herein of (a) the time and place of the meeting, (b) the agenda for the meeting, and (c) such data as is then available relative to the issues on which there will be a vote, and a proxy form is included in such mailing, and the Member neither attends the meeting nor returns an executed proxy, then such Member shall be deemed present for purposes of determining a quorum, and shall be deemed to have given his proxy to and for the majority present and voting. No proxy shall extend beyond the date of the meeting for which it is given unless such meeting is adjourned to a subsequent date; and no proxy shall be valid for more than three (3) years from the date of execution. Any proxy shall automatically cease upon sale by the Member of his Lot.

ARTICLE IV MEETINGS

Section 4.01. Annual Meetings. The annual meetings of the Association shall be held on a date determined by the Board. Any business which is appropriate for action of the Members may be transacted at an annual meeting.

Section 4.02. Special Meetings. Special meetings of the Association's Members may be demanded and called for any one or more lawful purposes by the Association's President, two (2) Directors, or the holders of record of five (5%) percent of the Association's voting power entitled to vote at such meeting, provided such holders comply with such demand provisions set forth in these By-Laws. Upon the written, signed, and dated demand, which states the purpose of the meeting, being delivered in accordance with the foregoing to an officer of the Association personally or by registered or certified mail, the President or Secretary on or before the thirtieth (30th) day after the date of such demand shall fix the date and time of the meeting and provide notice thereof to the Members in accordance with Section 4.04 hereof. If the notice of the meeting is not given within thirty (30) days after the demand is made to the officer of the Association, a person signing the demand may set the time and place of the meeting and give notice thereof in accordance with Section 4.04 hereof. Special meetings of the Members shall be held at a time and location designated by the person calling the meeting in the notice of the meeting; provided, however, that if the notice does not designate a time and location, such meetings shall be held at the Association's principal office at the hour of ten o'clock in the morning on the date designated in the notice of the meeting. In the event that the President and Directors timely designate different times or locations, then the designations of the Directors shall control; provided, however, any notice changing the time or place of the meeting shall be effective only if timely received by the Members in accordance with Section 4.04 hereof.

Section 4.03. Place of Meetings. All meetings of the Association shall be held at such convenient place as the Board of Directors may determine. Any or all Owners may attend a meeting of the Association by means of telephone, video conference or other means of telecommunications by which each Owner can speak to and hear each other Owner. Any Owner participating in a meeting of the Association in such manner shall be deemed to be present in person at such meeting.

Section 4.04. Notice of Meetings, Waiver of Notice. Oral or written notice of all meetings of Members shall be given no fewer than ten (10) days, or if notice is mailed by other than first class or registered mail, thirty (30) days, nor more than sixty (60) days before the meeting date by any method permitted hereunder, to all Members of record entitled to vote at such meeting; provided, however, the date upon which such notice shall be deemed effective shall be determined in accordance with Section 4.05 hereof. Such notice shall state the date, time, and place of the meeting, and if required by these By-Laws, the purpose or purposes for which such meeting was called. Notice of a meeting of Members need not be given to any Member who, in person or by proxy, signs a waiver of notice either before or after the meeting, and such waiver is delivered to the Association for inclusion in the Association's records. To be effective such waiver shall contain statements or recitals sufficient to identify beyond reasonable doubt the meeting to which it applies. Such statements or recitals in such waiver of notice may, but need not necessarily, include the reference to the date and purpose of the meeting and the business transacted thereat. Statement or recital of the proper date of a meeting shall be conclusive identification of the meeting to which a waiver of notice applies unless the waiver contains additional statements or recitals creating a patent ambiguity as to its proper application. A Member's attendance at a meeting waives objection to lack of notice or defective notice of the meeting, unless the Member at the beginning of the meeting objects to holding the meeting or transacting business at the meeting.

Section 4.05. Effective Date of Member Notices. An oral notice is permissible if reasonable under the circumstances, and is effective when communicated in a comprehensible manner. Written notice, if in comprehensible form, is effective at the earliest of the following:

- (a) When received;
- (b) On the following day, if sent by electronic mail or facsimile transmission;
- (c) Five (5) days after its deposit in the United States mail, if mailed correctly addressed with first class postage affixed;
- (d) On the date shown on the return receipt, if sent by registered or certified mail, return receipt requested, and the receipt is signed by or on behalf of the addressee; or
- (e) Fifteen (15) days after its deposit in the United States mail, if mailed correctly addressed and with other than first class, registered, or certified postage affixed.

Written notice is correctly addressed to a Member if addressed to the Member's address shown on the Association's current list of Members (the "List"). A written notice or report delivered as part of a newsletter, magazine or other publication regularly sent to Members constitutes a written notice or report if addressed or delivered to the Member's address shown on the List, or in the case of Members who are residents of the same household and who have the same address on the List, if addressed or delivered to one of such Members, at the address appearing on the List.

Section 4.06. Quorum Requirements. The presence at any meeting of Members entitled to cast, or of proxies entitled to cast, fifty-one (51%) percent of the total votes of the Association shall constitute a quorum for any action governed by these By-Laws. Any Owner who does not execute and return the proxy form sent to such Owner in the required mailing shall be deemed to be present for the purposes of determining the presence of a quorum. Any action governed by the Declaration applicable to the Property shall require a quorum as therein provided.

Section 4.07. Action Without Meeting. To the fullest extent permitted by applicable law, Members may take action without a meeting by written consent as to such matters and in accordance with such requirements and procedures authorized hereunder. Such written consent must be signed by at least eighty (80%) percent of the Members and delivered to the Association for inclusion in the corporate records. Written notice of Member approval pursuant to this Section must be given to all Members who have not signed such written consent. If written notice is required, Member approval pursuant to this Section shall be effective ten (10) days after written notice is given and effective in accordance with Sections 4.04 and 4.05 hereof.

Section 4.08. Power of Referendum. The Members of the Association shall have the power, by referendum, to approve or reject certain actions proposed to be taken by the Association. In the event fifty-one (51%) percent or more, of the total votes actually returned to the Association within the specified time shall be in favor of such action, the referendum shall be deemed to "pass" and the action voted upon will be deemed to have been authorized by the Members; provided, however, that if a higher percentage vote required to "pass" is specifically expressed herein or in any amendments or supplements hereto or in the Declaration, that higher percentage shall control in that instance.

Section 4.09. List of Owners and Members of Record. For the purpose of determining Members entitled to vote at any meeting of Members, or in connection with any other proper purpose requiring a determination of Members, the Board of Directors shall by resolution fix a record date for such

determination. Unless otherwise provided for in advance by resolution of the Board of Directors, the record date set by the Board of Directors shall be no more than seventy (70) days, and not less than the last day for timely giving notice, before the meeting or action requiring a determination of Members is to occur. If the Board of Directors fails to set a record date, the Members at the close of business on the business day on which notice is given or, if notice is waived, at the close of business on the business day preceding the day on which the meeting is held are entitled to notice of the meeting and to vote thereat.

The Members of record appearing in the List at the close of business on the record date so fixed shall constitute the Members in respect of the activity in question.

A determination of Members of record entitled to notice of or to vote at a meeting of Members is effective for any adjournment of the meeting unless the Board of Directors fixes a new date for determining the right to notice or the right to vote, which it must do if the meeting is adjourned to a date more than one hundred twenty (120) days after the record date for determining Members entitled to notice of the original meeting. Subject to the provisions of applicable laws, a Member, Member's agent, or Member's attorney shall be entitled on written demand, at the Member's expense, to inspect and copy the List at a reasonable time during the period it is available for inspection. The Association shall make the List of Members available at the meeting, and any Member, a Member's agent, or Member's attorney shall be entitled to inspect the List at any time during the meeting or any adjournment. Notwithstanding the foregoing, a Member may inspect and copy the List only if: (i) his demand is made in good faith and for a proper purpose; (ii) he describes with reasonable particularity his purpose; (iii) the List is directly connected with his purpose; and (iv) his demand is in compliance with the terms and conditions of the South Carolina Nonprofit Corporation Act.

Section 4.10. Minutes of Meetings. The Secretary of the Association shall prepare and keep, or cause to be prepared and kept, accurate minutes of every meeting of the Association. The minutes shall be made available for examination by any Member at the office of the Association during normal business hours.

ARTICLE V BOARD OF DIRECTORS

Section 5.01. Powers and Duties. The Association shall be governed and its business affairs managed by and through a Board of Directors. The powers herein granted to the Association may be exercised by such Board of Directors acting through the Officers of the Association as provided for in Article VI hereof, without any further consent of the Owner and Members, except as may be limited or otherwise required by the Declaration or the within By- Laws, and, in the event the Association files the same with the Secretary of State of South Carolina pursuant to Article I of the Declaration, the Articles of Incorporation of the Association.

(m) to the extent provided by law and with an affirmative vote of 2/3rds of the Members, the Board shall have the power and authority to pledge or mortgage the properties of the Association and to pledge the revenues of the Association as security for loans made to the Association which loans shall be used by the Association in performing its authorized functions. Notwithstanding anything in the Declaration to the contrary, the Association shall not be allowed to reduce the limits of the minimum regular assessments

at any time there are outstanding any amounts in repayment of any such loans;

(n) to implement erosion control steps and/or devices and to levy Assessments therefor, should the Board of Directors determine that such steps and/or devices are necessary; and

(o) to exercise for the Association all powers, duties and authority vested in or delegated to the Association by the Declaration and not reserved to the Members by other provisions of these By-Laws, the Declaration, or the Articles of Incorporation, if any.

Section 5.02. Number, Tenure, Qualifications, and Compensation. The Board of Directors shall consist of three (3) members elected by the Association Members, and shall serve for a term of three (3) consecutive years. Directors shall not receive any salaries for their services, but by resolution of the Board, any Director may be reimbursed for his actual expenses incurred in the performance of his duties as a Director. Nothing herein contained shall be construed to preclude any Director from serving the Association in any other capacity and receiving compensation therefor.

Section 5.03. Removal and Vacancies. Any Director may be removed by majority vote of the Association Members. A Director elected by the Association Members may be removed by the Association Members only at a meeting called for the purpose of removing the Director, and the meeting notice states that the purpose, or one of the purposes, is the removal of the Director.

Vacancies in the Board of Directors shall be filled by a vote of the remaining Directors. The term of such newly appointed Director shall expire simultaneously with the term of the remaining Directors.

Section 5.04. Quorum and Manner of Acting. A majority of the Board of Directors actually holding office shall constitute a quorum for the transaction of business at any meeting of the Board of Directors. If a quorum is not present at any meeting of the Board of Directors, the Directors present thereat may adjourn the meeting from time to time without notice other than announcement at the meeting, until a quorum is present. The act of a majority of Directors present at a meeting at which a quorum is present shall be the act of and binding upon the Board of Directors.

Section 5.05. Meetings.

(a) Annual Meetings. An annual meeting of the Board of Directors shall be called and held for the purpose of annual organization, changes in the established number of Directors, if any, appointment of Officers and committees, and the transaction of any other business. If such meeting is held promptly after and at the place specified for the annual meeting of Members, no notice of the Annual meeting of the Board of Directors need be given. Otherwise, such annual meeting of the Board of Directors shall be held at such time (at any time prior to and not more than thirty (30) days after the annual meeting of the Members), and place as may be specified in the notice of the meeting. Except as otherwise provided by law, any business may be transacted at any annual or regular meeting of the Board of Directors.

(b) Special Meetings. Special meetings of the Board of Directors may be called for any lawful purpose or purposes by the President or any two (2) Directors by giving notice thereof to the Board members as provided herein. The person calling a special meeting shall give, or cause to be given, to each Director at his address, notice of the date, time and place of the meeting by any means of communication acceptable hereunder not less than two (2) days prior thereto. An oral notice is permissible if reasonable under the circumstances and is effective when communicated in a comprehensible manner.

The notice of a special meeting shall describe the purpose of such special meeting. Any time or place fixed for a special meeting must permit participation in the meeting by means of telecommunications as authorized below.

Section 5.06 Notice of Meetings and Waiver of Notice. When written notice of any Annual Meeting of the Board is required, such notice shall be given to each Director at least five (5) days prior to such meeting, and when written notice of any Special Meeting of the Board is required, such notice shall be given to each Director at least two (2) days prior to such meeting, in each case including the date, time, and place, of the meeting. An oral notice is permissible if reasonable under the circumstances, and is effective when communicated in a comprehensible manner. Written notice, if in comprehensible form, is effective when received. Any Director may waive notice of any meeting at or before the time of the meeting stated herein, and attendance of a Director at any meeting shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at nor the purpose of any regular or special meeting of the Board need be specified in the notice or waiver of notice at such meeting, unless specifically provided by law, the Articles of Incorporation, if any, these By-Laws or the Declaration.

Section 5.07 Place of Meetings. All meetings of the Directors shall be held at such convenient place as the Board may determine. Any or all Directors may attend a meeting of the Board of Directors by means of telephone, video conference or other means of telecommunications by which each Director can speak to and hear each other Director. Any Director participating in a meeting of the Board of Directors in such manner shall be deemed to be present in person at such meeting.

Section 5.08 Minutes of Meetings. The Secretary of the Association shall prepare and keep, or cause to be prepared and kept, accurate minutes of every meeting of the Board of Directors. A copy of the minutes shall be made available for examination by any Member at the office of the Association during normal business hours.

Section 5.09. Voting. Each Director shall have one vote on all matters acted upon by the Board of Directors. The affirmative vote of two (2) Directors shall be sufficient for any action unless otherwise specified in these By-Laws.

Section 5.10. Informal Action by Directors. Any action required or permitted by law to be taken at a meeting of the Board of Directors may be taken without a meeting if a consent or consents, in writing, setting forth the action so taken shall be signed by all of the Directors, which consent(s) shall be filed with the Secretary of the Association as part of the Association's records.
